

## WELCOME!!

Welcome to the Wisley Pyrotechnics Inc. (WPI) 2024 demo. Whether it's your first time meeting us or you're an old regular, we are glad to have you here with us and already look forward to seeing you again!! Tonight, we will be shooting a massive number of products so the pace will be fast. Please feel free to use the sheets we provided to make notes and rate the products you might like to order. We feel its most important for you to be able to watch the products and not spend all your time looking down writing notes. In an attempt to help with this problem, the entire show is being recorded and will be posted on YouTube in the coming week. We will edit the video to show names, part numbers, and duration on each item, so you can watch the video and place orders later if you missed something.

All of the products being shot this evening are in stock at this point in time. Please place orders at your convenience and we will get them reserved in the order they were received. You can submit orders to [wisleypyrotechnics@gmail.com](mailto:wisleypyrotechnics@gmail.com) We do order pickups by appointment, Monday – Friday from 8:30am to 4:30pm so please call or email before coming. Saturday pickups are welcome but by appointment only. Sunday pickups are allowed during the month of June. If you have a special pickup need, please contact us directly. We also have options for delivery nationwide for both 1.3g and 1.4g products. Attached to the back of this packet you will find an order sheet if you would like to use it.

WPI will be open tomorrow, Sunday April 28<sup>th</sup> for pickups. Orders can be placed “on the spot” from the hours of 9am to 2pm. Please let us know if you have questions!

## ENJOY THE SHOW!!
